T-Bridge Service Features

Extensive Overseas Talent Pool

Through partnerships with overseas universities and corporations, we provide a steady supply of qualified candidates until you find the perfect fit.

Competency Assessment Services

Make hiring decisions based on data, not intuition. With our multilingual competency tests for foreign candidates, we offer objective data on applicants' abilities.

T-Bridge Service Features

Administrative Support for Hiring

We assist with all necessary procedures throughout the employment process, including labor contracts, visa issuance, and entry procedures.

Free Pre-Hiring Consultation

We analyze your company's situation and provide customized strategies for hiring both local and foreign talent.

Avoid the hassle of dealing with multiple agencies and complicated fees.

Service Fee Guide

- Success-based fee: 5% of the employee's annual salary, paid after successful hiring.
- No hiring, no cost: If recruitment is unsuccessful, there is no fee.
(A partial fee may apply if a candidate is accepted but later cancels the employment offer.)
